US 41 Project lane closures for December 16 – December 20

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for December 16 – December 20 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

NOTE: These closures are for the US 41 Project only

The Leo Frigo Bridge remains closed. Please use the WIS 172 bypass or plan an alternate route.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

Local Road Closures

In order to set girders on US 41 over Memorial Drive, there will be local road closures to assemble equipment.

- Village Court between Tony Lane and Vincent Road will be closed during the daytime hours on Monday, December 16.

- Memorial Drive between Village Court and Vincent Road will be closed overnight on Tuesday from 6 p.m. to 7 a.m. Vincent Road will also be closed near Memorial Drive.
- Memorial Drive between Village Court and Vincent Road will also be closed overnight on Wednesday, Thursday and Friday from 6 p.m. to 7 a.m. to set the girders.

All lane restrictions and work operations are weather dependent and subject to change.
